Auditors' Report

EDNA MANLEY COLLEGE OF THE VISUAL AND PERFORMING ARTS **(Government of Jamaica Subvention)**

We have audited the financial statements set out on pages 1 to 7 and have obtained all the information and explanation which we required. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures, as we considered necessary.

These financial statements are prepared for the purpose of reporting to the Ministry of Education and are limited in scope to accounts and transactions related to the Government of Jamaica Subvention. The basis of financial reporting to the Ministry is set out in note 5 - Significant Accounting Policies.

In our opinion proper accounting records have been maintained and the financial statements are in agreement with the accounting records. The financial statements, in keeping with the limited purpose and scope set out in paragraph two above, give a true and fair view of the College's affairs at March 31, 2013 and of the receipts and disbursements for the year then ended, so far as they relate to the Government of Jamaica Subvention.
